Hi,

Just a reminder, **Out of Class Activities**

- Complete Work Instruction Procedure Summary for analytical balances
- View video, 'How to Use an Analytical Balance'
- Enter Calibration checks
    - monthly single point and
    - repeatability

into spreadsheets, ready for me to review next week and

- Update the equipment register, on Teams, log all balances that you have completed calibration checks on. Please let me know if access is restricted.

See you next week!
